

# THANK YOU, DELHI POLICE

'This Missionary: BHARAT PATHIK', on bended knees, goes down,  
Offers to our alert Policemen a 'FLORAL CROWN';  
Extra- ordinary efficiency & the smartness you displayed,  
'India's Genetic Superiority' you loudly relayed!

Tired & worn out in the afternoon heat,  
The crowded ITO Bus stand, a hot sultry retreat;  
Overtaken by a snooze, he closed his eyes,  
Till the screeching of buses him half-revives!

In a dashing hurry to board the 'Numbered' bus,  
Fatigue all vanished, sans any caution or fuss;  
Only little later down the guilt of the missing brief case,  
The over-tired faculties of an old foggie having slowed his pace!

Tracking our local PRO, informed her of this silly slip,  
And the guilty conscience many a heartbeat did skip;  
Getting down enroute, he silently prayed,  
And the Lord God, a silent 'SOS' to Police relayed!

Bethankit, the Alert Policemen & equally that four-legged kin,  
Instantly they unearthed the innocent folly, no more any grin;  
Assured of its 'Bomblessness', urgent message to our PRO sent,  
Informed earlier, in post-haste, to the Police station she went!

The 'Mystery of the Missing Brief case' now resolved,  
In an exceptional hurry, all the question marks dissolved;  
While at the other hand, the Indian Missionary got the message,  
Beloved Khaki Brethren promptly his silent misery did assuage!

A 'SMART SALUTE' goes out to the 'With You, For You' Brigade.  
Saving very important papers in a skilled silent raid;  
The proposed 'Nav-Nirman Revolution's imminent launch saved,  
And a grateful heart in a not-so-silent gratitude raved;  
Thank you, the Alert Delhi Policemen,  
For efficiency & smartness, maintain this exemplary Yen' –  
TO ALL OUR HARD-WORKED DELHI POLICEMEN -
