Dear Sir,

First of all I would like thanks to entire team of Delhi Police for prompt action on complaint.

Back ground of complaint-

I lodge a complaint at 100 number against driver on dated 26/10/2015 at 9.40 A.M. They immediately transferred the

Complaint to Okhla phase 1 new Delhi police station because it was related to that area and within ten minutes one constable Mr. Puran visited the incident place and discuss the issue and after five minute head constable Mr. Suresh Tyagi joined the investigation and discuss the same.

Further they investigated the matter and resolve it within the minimum time so the effort which put by Delhi Police was very appreciable.

Thanks to entire team of Delhi police

Special thanks to Mr. Suresh Tyagi and Puran.

*Thanks & Regards*
